SAVE THIS PART...YOU'LL NEED IT.

About the drawing...the dimensions of the drawing you need to prepare are 8x20. You do not need to prepare separate drawings for each panel or the neck piece and bag. One horizontal 8x20 drawing in simple outline style is all you need, done in pencil only. Do not color in the drawing. Please refer to the web site (www.joyofsilk.com) to see sample talitot.
